Charles Hill's *Global Business Today* 8e has become the most widely used text in the international business market because its current, comprehensive and up-to-date application-rich content goes beyond an uncritical presentation and shallow explanation of the body of knowledge relevant to the field. It focuses on managerial implications, integrated, and maintains a tight integrated flow between chapters and incorporates ancillary resources that enliven the text and make it easier to teach. Our research has shown that students and instructors alike enjoy the interesting, informative, and accessible writing style of *GBT* so much so that the writing has become Charles Hill's trademark. The author's passion and enthusiasm for the international business arena is apparent on every page. In addition to boxed material which provides deep illustrations in every chapter, Hill carefully weaves interesting anecdotes into the narrative of the text to engage the reader.

Market defining since it was first introduced, *International Business* 7e by Charles W L Hill continues to set the standard for international business textbooks. In writing the book, Charles Hill draws on his experience in teaching, writing, and global consulting to create the most thorough, up-to-date, and thought-provoking text on the market. Because many issues in international business are complex, the text explores the pros and cons of economic theories, government policies, business strategies, organizational structures, etc. Hill's *International Business* is known for its strong emphasis on strategy and for maintaining a tight integrated flow between chapters. Hill's book is practical in nature, focusing on the managerial implications of each topic on the actual practice of international business. The author's passion and enthusiasm for the international business arena is apparent on every page as he strives to make important theories interesting, informative, and accessible to all students.
