what do we mean by left wing or right wing people started using the language of a political spectrum when early twentieth century political parties began to distinguish their platforms by offering different approaches to income distribution the terrific engine examines how the powerful tool of income taxation transformed the way people talk and think about politics in canada drawing on heated debates that demonstrated the imaginative power of income taxation david tough traces the modernization of political language from the 1911 election through the second world war countering a strongly held myth that income taxation was imposed on a reluctant public tough argues that its introduction is in fact a story of democracy people first demanded that this new form of taxation replace existing ones and then that it be used to address income inequality and in establishing a clear basis for party differences income taxation made elections significantly more democratic

in reasoning otherwise author ian mckay returns to the concepts and methods of reconnaissance first outlined in rebels reds radicals to examine the people and events that led to the rise of the left in canada from 1890 to 1920 reasoning otherwise highlights how a new way of looking at the world based on theories of evolution transformed struggles around class religion gender and race and culminates in a new interpretation of the winnipeg general strike of 1919 as mckay demonstrated in rebels reds radicals the canadian left is alive and flourishing and has shaped the canadian experience in subtle and powerful ways reasoning otherwise continues this tradition of offering important new insight into the deep roots of leftism in canada
