being still is an art if we can learn to master this skill we can better appreciate the free gift of life that has been given to all of us robert paul baeyens wrote this book

to help the reader learn to make better decisions have greater confidence and achieve happiness while at the same time taking that rare look inward being honest with oneself and facing topics that are uncomfortable and then committing to taking a stance we all want to find answers to questions such as are we in control is there a god with an ultimate plan for us is there a choice to be made that affects us for eternity are there multiple paths to an eternal existence from the beginning man has been perplexed by the question as to whether or not god really exists many civilizations were built or destroyed over their beliefs in a higher power or lack thereof and still nobody can prove or disprove whether he does or not if this one simple question could be answered and proven either way then mankind would certainly be significantly changed does one have to believe in god in order to be happy is there meaning to life without god at the center of all things and most importantly should we be acting differently during our walk through life based on how we answer these questions once we establish our belief then how do we live life to the fullest based on that belief how can we maximize our happiness and at the same time walk morally ethically and for the improvement of society and mankind whether or not one believes in god it is undeniable that we should make that our common goal the intent of be still is to answer these and other questions in order to live life to the fullest and to be our best possible person for our own sake as well as the sake of others it is more than a mystery in need of a solution it is and should be every man and woman s responsibility to make no choice is to make a choice for complacency as so many do that is irresponsible to oneself and to society the challenge is for every man and woman to stand up and make a choice and then to live life to its fullest based on that choice one thing is for certain either there is a god or there isn t fair enough let s start with that this book is for christians that are seeking self improvement and who want to learn how to connect with god at a deeper level it offers non christians the opportunity to learn about the christian faith and find peace through biblical based teachings be still will allow the reader to connect with god on a deeper level as it reveals man s nature god s nature and your free will to make choices most of all be still will teach you that the only way to true happiness is to allow god to be god in your life

god called samuel to be his prophet during a time of crisis in israel s history a time when his chosen people had turned away from him and were defiantly going their own way using the obvious parallels in today s world noted scholar and teacher henry blackaby shows readers how god works in and through those he chooses god spoke to samuel again and again shaping him through trials and tragedies dr blackaby calls defining moments by studying samuel s life readers learn to recognize their own defining moments and see how moments often defined in crises are simply the voice of god calling us to his purpose
