there have been other english accounts of this hero with a thousand descendants but this is the first one that is as much poetry as scholarship michael dirda the washington post book world a national book critics circle award finalist this is a new verse rendering of the great epic of ancient mesopotamia one of the oldest works in western literature ferry makes gilgamesh available in the kind of energetic and readable translation that robert fitzgerald and richard lattimore have provided for readers in their translations of homer and virgil and brings a fresh interpretation to its power john ray the times literary supplement captures the elegiac and ironic

undertones of gilgamesh s failed search for immortality one senses that ferry has restored the poetry of this oldest epic publishers weekly like edward fitzgerald s rubaiyat or ezra pound s cathay mr ferry s gilgamesh is a miraculous transformation of the original into his own utterly distinctive idiom ferry s technical genius and literary sophistication evoke not only the hero s anguish but the rage and despair of the untouchable tom sleigh the new york times book review

this ground breaking and provocative book presents new and astonishing interpretations of ancient history mythology and world religions that will call many established beliefs into question in gateway of the gods author craig hines invites readers to reconsider preconceived notions concerning biblical theology in light of recent scientific discoveries and inquiries concerning the nature of the universe this fascinating exploration reveals a number of ideas that have been suppressed and obscured behind layers of symbolism and misguided propaganda for thousands of years until now why is it that so many world cultures share details of an event when fallen angels descended upon the earth and fathered hybrid offspring called the nephilim is it possible that these beings used gateway technology housed within pyramids and holy temples to travel between the heavenly and earthly realms do the latest advances in theoretical physics lend credibility to the idea that otherworldly beings might reside in dimensions parallel to our own do the recorded voices of the dead known as electronic voice phenomena evp indicate that we may be able to communicate with these other realms was a secret message embedded within ancient texts that could only be revealed after we have attained the knowledge and technology necessary to understand it does this message offer a solution to the approaching environmental disaster that scientists warn will be more devastating to human civilization than any others in recorded history drawing from a variety of historical sources and years of meticulous research the author weaves together a compelling argument involving a range of seemingly disparate topics that when considered together formulate a radically new narrative concerning the history and destiny of the human race

underlying sergei o prokofieff s life s work was a fundamental research theme to which he returned to repeatedly the individuality of rudolf steiner as manifested through his past incarnations on earth beginning in 1982 inspired by a visit to an exhibition on the epic of gilgamesh prokofieff planned a full scale spiritual biography with the intention of finding an answer to the question who is rudolf steiner in a sequence of five past incarnations as indicated by steiner himself and culminating in the life of rudolf steiner prokofieff searched for the inner thread between the six stages of this great all encompassing life his intention was to find not only the outer connections in this sequence but also the deeper more esoteric stream that offers the key to the unique significance of this individuality in 1984 prokofieff began to write

the first chapter about rudolf steiner s incarnation as enkidu in sumer sadly many obstacles in his path were to prevent him finalising the project however the author returned to the book in his final months preparing a preface that outlines its conception together with a summary chapter on rudolf steiner s evolutionary journey this precious fragment of a biography features valuable additional material including a full introduction to the relationship of the anthroposophical movement to other occult streams of esoteric christianity and their masters a detailed spiritual scientific interpretation of the epic of gilgamesh that establishes rudolf steiner s connection with the being of jesus of nazareth and an exploration of steiner s relationship to the nathan soul the luke jesus child serious students of anthroposophy will welcome these final writings from the pen of one of rudolf steiner s most faithful and insightful disciples

the expectations and living conditions of our society are uniquely unrealistic and destabilizing producing a techno precarious performance self that markets itself as a product gets addicted to almost anything and drives itself to exhaustion
